VOCATIONAL EDUCATION

Quarterly Bulletin: April to December 2017
Dear Readers,

Greetings from PSSCIVE!

The financial year 2017-2018 unfolded within my first year term with triumphs but not without some challenges. It has been quite a bumpy journey but a great ride knowing our destination is for the benefit and betterment of our young generation, stakeholders and society. The PSS Central Institute of Vocational Education (PSSCIVE) will be persistent in its dream for highly improved Vocational Education system, through our joint efforts towards such vision.

I am happy to share that despite limitations of human resources, the Institute conducted all the scheduled academic programmes from April to March 2018. We have been actively involved in the development of curricula, student textbooks and teacher handbooks for 100 Job roles in 18 sectors, which has been a highly engaging activity. These learning outcome based curricula and courseware will be utilized by the Central and State Boards of Secondary and Higher Secondary Examination for the implementation of Centrally Sponsored Scheme of Vocationalisation of Secondary and Higher Secondary Education. As we continue to share awareness on vocationalisation of education, each year more schools are being added to the list with new vocational subjects. Likewise, our quality improvement through advocacy, capacity building orientation programmes, training vocational teachers on domain specific content and vocational pedagogy have been a fruitful quest with more and more teachers interested to undergo training.

We are indeed excited for the positive feedback that we have received from the experts contributing in different development activities and also the teacher-trainees in training programmes. We wish to keep their confidence in us in carrying out vocational education and training programmes based on their specific needs.

Besides the academic programmes, the Institute conducted many extension activities for the promotion of skill development programme, including celebration of the World Youth Skills Day on 15th July. The Regional Institute of Education, Bhopal and PSSCIVE have taken the initiative of introducing vocational subjects in Retail and IT/IT-enabled Services sectors in the Demonstration Multipurpose School, Bhopal for Class IX students in 2017. The Institute is also in the process of establishing a model vocational school in Demonstration Multipurpose School (DMS), Bhopal under MOU between National Council of Educational Research and Training (NCERT) and Korea Research Institute for Vocational Education and Training (KRIVET), South Korea.

With these humble achievements and with endless support of stakeholders in education and skill development, we will persistently try to tread newer pathways as we set foot on the next year's programmes and projects.

Rajesh P. Khambayat
Joint Director
PSSCIVE, BHOPAL
Roles and Functions of PSSCIVE

- To advise and assist the Ministry of Human Resource Development and State Governments in the implementation of the vocational education programme in schools under the National Skill Qualification Framework.
- To develop guidelines, competency based curricula and teaching-learning material for implementation of Vocationalisation of Secondary and Higher Secondary Education.
- To promote research activities in vocational education and training and disseminate research findings through publication.
- To orient and train the key functionaries including Principals and Teachers on various aspects of implementation of vocationalisation of education, vocational pedagogy and domain-specific knowledge and skills.

Highlights of the Year

अप्रैल से दिसंबर, 2017 के दौरान संस्थान में संपन्न प्रमुख गतिविधियाँ

Major Activities of the Institute during April to December 2017

1. WORKSHOPS

The Institute is actively engaged in the development of learning outcome-based curricula, student workbooks and teacher handbooks for the 100 identified job roles under the centrally sponsored scheme of vocationalisation of secondary and higher secondary education, introduced by the Ministry of Human Resource Development (MHRD), Government of India. The development programmes were organised through working group meetings by involving the experts and academicians from vocational institutions/training centres, Industries and NGOs. During April to December 2017, the Institute organised 76 working group meetings for developing the vocational curricula, student workbooks and teacher handbooks. The month-wise and course-wise details are as follows:

2. TRAINING PROGRAMMES

The Institute provides academic leadership and support to various States and Stakeholders for strengthening the Vocational education and training system by organising capacity building training. The training programmes are held under two major categories:

**Teachers Training:** Teacher training programmes are organised for vocational teachers on vocational skills, vocational pedagogy, soft skills and entrepreneurship development etc. for effective job performance.

**Orientation Programmes:** These programmes are being organized for building the capacity of state level key functionaries and school principals involved in the implementation of vocational education.

## TEACHERS TRAINING

The Institute conducted following Orientation Programmes for the Key functionaries of the States/UTs and also organised Teachers Training Programmes on different Vocational Courses and Vocational Pedagogy from April 2017 to September 2017:

### Training of Teachers on Automobile Technology and Vocational Pedagogy

The training programme on Automobile Technology and Vocational Pedagogy was organised from 07 to 11 August 2017 at PSSCIVE, Bhopal. The programme was well attended by 31 practising Vocational Teachers of Punjab, Haryana, Himachal Pradesh and Delhi. During the programme, recent advances in the field of Automobile Technology was discussed. Important topics like mechatronics, servicing of a vehicle, safety, transmission system were covered. Skill training on car servicing, change of carburettor, car scanning using software caftop was given to the participants. The programme was coordinated by Dr. Saurabh Prakash, Prof. and Head, Department of Engineering and Technology.

### Training of +2 level vocational teachers in Entrepreneurship Development for Maharashtra State.

This programme was organised from 18 to 22 September 2017 at PSSCIVE, Bhopal. Twenty-nine full-time Vocational Teachers of +2 stage from all the six regions of Maharashtra State participated. During the programme, various aspects related to entrepreneurship development in school education system and vocational skills were presented by Dr. Vipin Kumar Jain, Dr. Ajay Shukla and Dr. Nidhi Gupta using instructional methods like blended lecture, discussion, and role-play. After the initial pre-test, the programme included technical sessions viz., developing entrepreneurship in the students of +2 vocational stream, latest trend and development in vocational skills and entrepreneurship, personality development activities for vocational students, successful entrepreneurial performance, entrepreneurship discovery process, developing entrepreneurial skills and behaviour science, behaviour associated with successful entrepreneur, development of effective communication skills, achievement – motivation and goal setting, attitude building, attributes of successful entrepreneur, entrepreneurial behaviour competencies, various govt. schemes and support system for promoting entrepreneurship, business idea generation activity, market survey, etc. were conducted. Every participant were given various home assignments. A visit to local market was
scheduled to submit their business idea generation assignment. During the programme, participants also prepared various charts and posters on entrepreneurial behaviour competencies and employment opportunities and it was presented in-group discussion activity. On the last day of the programme, participants submitted their feedback along with post-test. The programme was well appreciated by the participants. The programme was coordinated by Dr. Vipin Kumar Jain, Head, PPMC.

Training of teachers on IT Helpdesk Attendant and Vocational Pedagogy

Training of Teachers in IT Helpdesk Attendant and Vocational Pedagogy for Western region was organised at PSSCIVE, Bhopal from 26 to 30 August 2017. Twenty-eight Vocational Teachers from the state of Punjab and Himachal Pradesh attended the programme. During this one-week programme, the participants were acquainted with the National Skills Qualification Framework (NSQF) scheme of vocational education, Sector Skill Council (SSC), Job Role under IT/ITES, National Occupation Standards (NOS), Qualification Pack (QP) and model Curriculum of SSC. The programme included topics on vocational pedagogy, role of vocational teachers, teaching learning and assessment methods in vocational education, preparation of session plan etc. The demonstration as well as practical training was also given on the topics from the curriculum such as word processing, spreadsheet, and presentation, internet searching techniques, database application, networking and web designing. The topics on recent trends in IT/ITES such as cloud computing, internet of things, artificial intelligence were also discussed. A Pre-test was conducted on the first day and the post-test was conducted on the last day of the programme. Assignments and questions were given to teachers for homework. The technical sessions were taken by Dr. Deepak Shudhalwar, Dr. V.S. Mehrotra and resource persons Dr. M.A. Rizvi, NITTTR, Bhopal, Dr. Manu Pratap Singh, Dr. B.R. Ambedkar University, Agra and Dr.Ganesh Kumar Dixit, BSA College, Mathura. In the valedictory session, Prof. Rajesh P.Khambayat, Joint Director, PSSCIVE appreciated the programme by interacting with the participants. He liked the concept of online pre-test and post-test with the help of Google form. In his closing remarks, it was stressed to enhance the knowledge as well as soft skills to young students opting for the vocational education. The Programme was coordinated by Dr. Deepak Shudhalwar, Associate Professor, Department of Engineering and Technology.

Training of teachers on Business and Correspondent and Vocational Pedagogy

SWACHHATA PAKHWADA

As per the directives of the Ministry/ Council, the Institute observed the “Swachhata Pakhwada” in the Institute from 1st to 15th September, 2017. During the pakhwada, an Oath ceremony was organized on the first day in which all the faculty and staff of the institute took oath of keeping the institute as well the entire place around us clean and will motivate others for the same. Banners were prepared with the message to keep the campus clean and green and were displayed at various places in the campus. On 13th September, 2017 an activity for “Shram Daan” was also organized by all the staff of the institute in the institute premises. During shram daan staff members cleaned the weeds and wild plants from the ground as well as dumped the waste to the proper dumping place.

SEMINAR ON UP-SKILLING OF VOCATIONAL TEACHERS IN THE 21ST CENTURY

The PSSCIVE is celebrating its silver jubilee year from July 2017 to July 2018. On silver jubilee year, the Institute organized a Seminar on Up-skilling of Vocational Teachers in the 21st Century on 5 July 2017.

In the inaugural session, the Joint Director, PSSCIVE, Prof. Rajesh P. Khambayat welcomed the invited guests and participants of the Seminar. There is a need change development strategies to adjust changes of the labour market. The major challenges each country is facing today are related to youth un-employment and youth employability. In this regard, vocational education has a major role to play in meeting the skill demands of the industry and the labour market. Dr. Khambayat shared that the Indian Prime Minister has emphasized on the skill development and called for skilling at a scale and speed. Furthermore, the challenges that today's teacher faces is to make students learn and prepare them for the future. The role of Vocational Teachers is very important, as they are the change agents.

The Chief Guest of the Seminar Prof. C. Thangaraj, Director, National Institute of Technical Teachers Training and Research (NITTTR), Bhopal opined that the teachers face redundancy if they do not sail along the stream and change with the teaching paradigm and technology. Teachers need to upgrade their skills to adapt to the paradigm shift happening across the globe, especially with regard to the development of vocational skills.

The Guest of Honour Prof. N. Pradhan, Principal, Regional Institute of Education, Bhopal stated that the culture of skill
development is lacking in schools and we need to change this culture to make vocational education popular. The high dropout rate at the upper primary stage is resulting in the entry of unskilled students into the world of work.

Prof. N. Pradhan appreciated the efforts made by the faculty members of PSSCIVE for developing 100 competency based curricula and around 100 courseware including student workbooks and teacher handbooks. He stated that the Institute is not only developing curricula and courseware through the working group meetings of experts but is also vetting curricula developed by other organizations.

Speaking on the occasion, the former Joint Director of PSSCIVE Prof. S.Z. Haider emphasized the need for providing vocational education to all. He also expressed his concern over the rampant unemployment in the country and stated that block level institutes should be established for imparting vocational education and training.

After the inaugural session, plenary sessions were organized on various topics viz., Emerging Trends and Strategies for Developing Competencies of Vocational Teachers, New Initiatives in Vocational Teachers Development, Skilling Youth for 21st Century Skills, Using ICT for Upskilling of Vocational Teachers and Good Practices in Upskilling of Vocational Teachers.

The programme was coordinated by Dr. Pinki Khanna, Associate Professor, PSSCIVE, Bhopal. The vote of thanks was proposed by Prof. Vinay Swarup Mehrotra, PSSCIVE, Bhopal.

ORGANIZATION OF INTERNATIONAL YOGA DAY on 21 JUNE, 2017

The International Yoga Day was efficaciously celebrated at PSSCIVE, Bhopal on 21 June 2017. An international day for yoga was declared unanimously by the United Nations General Assembly (UNGA) on 11 December 2014. Yoga is a physical, mental and/or spiritual practice attributed mostly to India. Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well-being.

The event was inaugurated by Prof. Rajesh Khambayat, Joint Director, Pandit Sunderlal Sharma Central Institute of Vocational Education (NCERT), Bhopal. Local Yoga experts Mr. and Mrs. Sanjay Saxena were invited to conduct the yoga practice session. The programme started with a warming up session (neck rotation, shoulder rotation, hip and knee rotation etc.) which was followed by the session on Asanas. Various asanas were performed as per the guidelines given by the Ministry. These included asanas in standing positions (such as Tadasan, Vrikshasana etc.), asanas in seating position (Bhadarsan, Shashankasan etc.), Sleeping position on stomach (Bhujangasan, Makrasanetc), Sleeping position (Sarvangasan, Shavasan). This was followed by Pranayam. During this function, various Yoga Asanas along with benefits were explained by the Yoga Expert. All the faculty members and staff actively participated in the celebration of yoga day at the institute. The programme was coordinated by Dr. Abhijit Nayak and Dr. Pinki Khanna including contributions by Mr. Mahesh Assudani, Mr Praveen Katolkar and their Team is to be acknowledged, for the success of programme.
Celebration of World Youth Skill Day

The World Youth Skills Day was celebrated on 15 July 2017, wherein a lecture on 'Stress Management' by Professor Piyush Verma, specialist in Occupational Stress Management at the National Institute of Technical Teachers Training and Research (NITTTR), Bhopal was organized as second programme of the silver jubilee year celebrations of the Institute. Speaking on the occasion Prof. Rajesh P. Kambayat, Joint Director, PSSCIVE, Bhopal highlighted that as a young nation, India will need to equip today’s youth with skills attuned to the needs of the industry. If we want to reap the benefits of demographic dividend, we need to focus on the holistic development of the youth. This should also include training them on Managing Self and Stress at Work Place. In his lecture, professor Verma stressed that today’s youth should maintain mental, physical and emotional health to overcome anxiety and stress at the work place and home, if they want to be more productive and happy. He opined that the quality of thought decides the quality of life and the youth should be trained to develop the skills of “learning to learn. He stated that for staying healthy and mentally fit it is necessary to do Yoga, meditation and body cleansing exercises”. In the open house discussion questions on managing self and others for balancing the skills demands of home and work place were asked by Prof. V.S. Mehrotra, Professor Saurabh Prakash and Dr. Pinki Khanna. Prof. R.K. Pathak introduced Prof. Verma to the audience and the programme was coordinated by Prof. R.K. Shukla, Head, Department of Business and Commerce, PSSCIVE, Bhopal.

NCERT Annual Staff Tournament - 2017

Sports team of PSSCIVE participated in the Annual Tournament organized at NIE, New Delhi from 22 to 27 Oct., 2017 at NCERT, New Delhi. The Tournament showcases inter unit competition in various indoor and outdoor games and sports every year. Some important events are cricket, badminton, table tennis, volleyball, athletics, short put etc. The competitions are held in men and women categories. The silver jubilee year celebration of PSSCIVE, Bhopal was publicized in all constituent units of NCERT on the occasion of this tournament. For this purpose, following activities were undertaken:

- The silver jubilee logo was printed and prominently displayed on the:
  - Team uniform’s T-Shirt and Jacket of the tracksuit.
  - Team flag and Banners
Celebration of National Entrepreneurship Day

The National Entrepreneurship Day was celebrated on ninth of November 2017. The Institute celebrated the day in collaboration with Regional Institute of Education and Demonstration Multipurpose School, RIE, Bhopal. Dr. Vipin Kumar Jain, Head, PPMC, PSSCIVE coordinated the programme. On this occasion, three different activities were organised for faculty, staff and students. In the forenoon, a seminar was organised on the theme "Catalysing a Cultural Shift in Youth Entrepreneurship". The seminar was organised under the Chairmanship of Prof. Rajesh P. Khambayat, Joint Director, PSSCIVE and the Dr. N. Pradhan, Principal, Regional Institute of Education was chief guest. Two experts Shri Amit Singh and Shri Rohit Messy, Advisors from NIESBUD, New Delhi were invited as resource persons. Both the experts shared their views on entrepreneurship development among youth. They mentioned in their lectures some prominent examples of successful entrepreneurs of very young age.

On the next day, a session on "Career in Entrepreneurship" was organised in the morning assembly of Demonstration Multipurpose School. Dr. Rajesh P. Khambayat, Joint Director, PSSCIVE, Bhopal, Dr. N. Pradhan, Principal, Regional Institute of Education, Bhopal, Shri Rohit Messy, Advisor, NIESBUD, New Delhi and Dr. Vipin Kumar Jain, Head, PPMC and Coordinator of the programme addressed the students and gave motivational speech on Entrepreneurship as the best career in the present world of work.

Celebration of National Integration Week

The National Integration Week was celebrated in the Institute from 19th to 25th November 2017. On this occasion, a Seminar was organised on 22 November 2017 in the Institute on "Quami Ekta". Dr. Asfa M. Yasin, Ex-Professor, PSSCIVE, Bhopal and Dr. J.S. Grewal, Ex-Professor, Regional Institute of Education, Bhopal gave their opinion on the importance of national integration. The seminar was chaired by Dr. Rajesh P. Khambayat, Joint Director, PSSCIVE, Bhopal.

Dr. Mridula Saxena, Dr. R.K. Shukla, Dr. R.K. Pathak, Dr. Rajeev Jain, Dr. V.S. Mehrotra and Sh. Gaurishunder Nath presented their views on different topics related to national integration like dimensions of unity, unity for justice, national unity at the time of India’s freedom struggle, contribution of famous personalities belonging to different communities and castes in social, economic, cultural and economic sectors, etc.

Dr. Asfa M. Yasin emphasized the role of national integration and Quami Ekta for humanity. She opined that by uniting we could conserve our culture and values. Dr. Grewal highlighted some important events from the history of India and provided insight into the factors that need to be considered to maintain unification and cultural integrity. The Joint Director stated that our institute is also contributing in national integration through education and training by bringing together people of different groups and backgrounds from different states. He described the concept of cross-cultural understanding, which is necessary in today's world for being successful and for uniting people. Faculty members, Consultants and staff of PSSCIVE attended the seminar. The Seminar was coordinated by Dr. V.K. Jain, PSSCIVE, Bhopal

www.psscive.ac.in
A meeting was held at PSSCIVE, Bhopal with the Korean delegation on 7th September 2017 for deliberations on the establishment of a Model Vocational Demonstration School at Bhopal. The meeting was attended by Dr. Lee, Yong Soo, President, Korea Research Institute for Vocational Education and Training (KRIVET), Republic of Korea, Dr. Kim Young Saing, Head of Centre for Global Cooperation of KRIVET, Ms. So-Yeon Park, Embassy of the Republic of Korea, New Delhi, Ms. So-Yeong Yu, Embassy of the Republic of Korea, New Delhi, Prof. Rajesh P. Khambayat, Joint Director, PSS Central Institute of Vocational Education (PSSCIVE), NCERT, Bhopal, Prof. N. Pradhan, Principal, Regional Institute of Education, NCERT, Bhopal, Prof. Pawan Sudhir, Department of Education in Arts and Aesthetics, National Institute of Education, NCERT, New Delhi, Dr. M.V.S.V. Prasad, Assistant Professor, Department of Curriculum Studies, NIE, NCERT, New Delhi, Prof. Ratanmala Arya, Department of Education, Regional Institute of Education, NCERT, Bhopal, Shri Harish Prasad, Headmaster, Demonstration Multipurpose School, RIE, Bhopal and faculty of PSSCIVE, Bhopal. The meeting was coordinated by Prof. V.S.Mehrotra, Head, Centre for International Relationship, PSSCIVE, Bhopal. It was suggested that vocational subjects like Mechatronics and Beauty and Wellness can be introduced in the Demonstration Multipurpose School, Bhopal after redesigning the curriculum and more number of teaching-learning hours to suit the skill needs of the industry.

The Institute started a very innovative certificate course on Basic Computer and Soft Skills for students of Class VIII of Demonstration Multipurpose School, Regional Institute of Education, Bhopal from November 2017 at PSSCIVE, Bhopal. In this course, students of class VIII attend the one-hour class in the afternoon regularly. Through this course, the students are made capable to do all basic computer operations. The faculty of the Institute also teaches soft skills like self-confidence, dreaming, decision-making, communication, teamwork, interpersonal relations, communicative English language, etc. During the course, the students are also exposed to entrepreneurial career and various career options available in different vocational courses.

A Working Group Meeting was organised from 8 to 10 November, 2017 at PSSCIVE, Bhopal to review the draft Student Textbooks developed by the group of experts for the following sectors: (i) Healthcare; (ii) Retail; (iii) Banking, Financial Services and Insurance; (iv) Agriculture; (v) Apparel Made-ups and Home Furnishing; (vi) Media and Entertainment; (vii) Security; (viii) Mining; (ix) Tourism and Hospitality; (x) Automotive and (xi) Beauty and Wellness. The development of the textbooks was coordinated by the faculty of PSSCIVE. The draft student textbooks developed for entrepreneurial skills, which is one of the components of employability skills module of the vocational curriculum was also reviewed during the meeting. On September 25th 2015, countries adopted a set of goals to end poverty, protect the planet and ensure prosperity for all as part of a new sustainable development agenda. Each goal has specific targets to be achieved over the next 15 years. For the goals to be reached, everyone needs to do their part: governments, the private sector, civil society and people like you.

Do you want to get involved? You can start by telling everyone about them. We’ve also put together a list of actions that you can take in your everyday life to contribute to a sustainable future.
