

## **Training of Teachers for Implementation of Vocational Education at the Middle Stage as per NCFSE 2023 for the States of Rajasthan and Madhya Pradesh: 18 November to 20 November 2024**

---

A three-day master training programme on "Training of Teachers for Implementation of Vocational Education at the Middle Stage (Grades 6 to 8) as per NCFSE 2023 (PAC Code 21.16-E)" was organised by PSSCIVE, Bhopal, from November 18 to 20, 2024. The programme aimed to equip master teachers with the knowledge and skills to integrate vocational education into classrooms, in alignment with NEP 2020 and NCFSE 2023. A total of 20 participants, including 10 resource persons and teachers from Rajasthan and Madhya Pradesh, attended the programme.

The event was inaugurated by in-charge Joint Director Prof. R. K. Pathak and coordinated by Dr. Vipin Kumar Jain. Sessions were delivered by experts in vocational education, focusing on key topics such as three forms of work and implementation strategies. Participants were provided practical exposure through hands-on activities in the institute's laboratories. Additional sessions covered innovative concepts like fun-based learning activities, 10 Bagless Days, and the Hub and Spoke Model. The programme emphasized practical learning, experiential activities, and the integration of technology to prepare students for future challenges. It also underscored the need for continuous professional development for teachers to stay updated with emerging trends and best practices in vocational education.

On the final day, Joint Director Dr. Deepak Paliwal encouraged participants to adopt vocational education practices and emphasized teaching students in Grades 6 to 8 through hands-on activities.
