

Celebration of World Environment Day at PSSCIVE: 5th June, 2025

The PSS Central Institute of Vocational Education (PSSCIVE), Bhopal, celebrated “*World Environment Day*” on 5th June 2025 with a series of activities aimed at fostering environmental awareness and responsibility. The event began with a plantation drive in which faculty and staff members actively participated by planting saplings across designated areas of the campus, reinforcing the Institute’s commitment to a greener and more sustainable future. Following the drive, a collective pledge was taken by all participants to preserve and protect the environment. The pledge highlighted key actions, such as reducing plastic use, conserving water and energy, and adopting eco-friendly practices in daily life. The celebration served as a meaningful reminder of individual and collective responsibility towards environmental sustainability.
