

## REPORT

The Training Programme on “***Capacity Building of Teachers for Implementation of Vocational Education at the Middle Stage as per the National Curriculum Framework for School Education (NCF-SE) 2023***” for women teachers of Chhattisgarh state is being organized at PSSCIVE, Bhopal from **18–22 August 2025**. On the opening day, 18th August, the programme began with a presentation on the status of vocational education in the State/UT by the state representatives. This was followed by a pre-test for teachers and a session on the recommendations of NEP and NCF-SE with respect to vocational education conducted by **Dr. Rajiv Kumar Pathak**, PSSCIVE. Further sessions included guidelines for implementation of vocational education at the middle stage (Grades 6 to 8) delivered by **Dr. Sonam Singh**, PSSCIVE, and a presentation on the integration of vocational education in school education by **Dr. Deepa Das**, SCERT Chhattisgarh.
