

Development of Repository on Traditional Textiles of India WGM II

The Department of Home Science and Hospitality Management organized a Working Group Meeting (WGM) for finalization of materials for Repository on Traditional Textiles of India. Under the repository, five modules have been developed: Traditional Woven Textiles of India, Traditional Saris of India, Traditional Floor Coverings and Carpets of India, Traditional Embroideries of India and Traditional Dyed, Printed, and Painted Textiles of India.

This workshop focused on finalization of the module of *Traditional Woven Textiles of India*. Two experts of weaving were invited in the WGM. Samples for different woven material were prepared on various types of looms. like Rugs, Durries, Shawls, Asan, Stole, Muffler etc. Demonstration of hands-on-loom were given by the experts. Dr. Deepak Paliwal, Joint Director, PSSCIVE, Bhopal and Prof. S.K. Gupta, Principal, RIE, Bhopal appreciated the work done by the experts. Trainees from Chhattisgarh, Gujarat, Goa and Maharashtra also observed the work done by the experts on loom. The workshop was coordinated by Prof (Dr.) Pinki Khanna from 18th to 22 August 2025 at PSSCIVE.
